TO OUR READERS

Your appreciation of the journal makes us bold to suppose that some of your friends would also like to read **SCIENCE & CULTURE**, the premier scientific monthly of India devoted to the publication of the progress in pure and applied sciences. The Indian Science News Association has been conducting the journal for over 70 years with the editorial co-operation of eminent scientists of India with the object of promoting and diffusing knowledge laying special stress on the progress of scientific studies here and abroad, and advocating methodical application of science to problems of national regeneration.

Editorial correspondence should be sent to the Editor, *Science and Culture*, 92, Acharya Prafulla Chandra Road, Kolkata : 700 009. Manuscripts prepared in accordance with the Instruction to Contributors should be submitted in **Triplicate** and will not be returned unless accompanied with return postage.

Correspondence relating to subscription, advertisement and other matters should be addressed to the **Hony. Secretary, Indian Science News Association, 92, Acharya Prafulla Chandra Road, Kolkata : 700 009, Phone :— 2350-2224. E-mail : isna@vsnl.net**

SCIENCE AND CULTURE

Published by :— INDIAN SCIENCE NEWS ASSOCIATION
92, Acharya Prafulla Chandra Road, Kolkata-700 009

AN APPEAL

The Indian Science News Association (ISNA) was established in the year 1935 by eminent scientists Professor Meghnad Saha and Acharya P. C. Ray, and was sustained by Professor S. K. Mitra, Professor B. C. Guha, Professor D. S. Kothari, Professor S. S. Bhatnagar, Professor P. C. Mahalanobish, Prof. D. M. Bose and many other stalwarts. The main objective of the Association is to promote and disseminate knowledge, laying special stress on scientific studies in India and abroad and to advocate the methodical application of science to problems of national regeneration. The Association provides a platform to the growing scientific knowledge vis-a-vis the culture of our country. The first President of the Association was Acharya P. C. Ray and the founder secretaries were Professor Meghnad Saha and Professor B. B. Roy.

The 'Science and Culture' is the mouth piece of the organization. With the above objectives in view, the Association has been publishing '**SCIENCE AND CULTURE**' monthly, since 1935. Not only scientific articles but also articles on social and cultural aspects of the country are published in the journal. Many important articles on nationally important events, conservation and developmental aspects have been published in the journal.

Besides the publication of the journal, the Association holds a number of memorial and endowment lectures throughout the year. Since 1983, an annual course (of 10-12 weeks duration) on Science Communication and Media Practices is held to train young aspirants.

During its long period of existence, the Association witnessed several financial crises as it is autonomous and depends on grants and donations, both from government and charitable organizations. However, the slump during 1992-95 was acute and affected the publication of the journal. It was decided during that time to publish the journal bimonthly and keep the continuity. Since then, by acquiring some funds, an endowment has been created and the journal is brought out on the interest proceeds of the fund. Recent years have witnessed an increasing popularity of the (truncated bimonthly) journal and there is a demand amongst readers for monthly publication.

However, the funds position do not permit this. As more and more well written and thought provoking articles are arriving at our office for publication in the journal, it is all the more tempting to revamp the journal and bring it back to monthly publication. Hence this appeal to you to donate generously to ISNA to help us put our plans into action in the new millennium.

The donation will be exempted from income tax vide U/S 80G of I.T. Act 1961, Order No DIT (E)/1290
8E/87/99-2000 Dated- 25.03.2004.

Any donation/contribution should be issued by crossed cheque/draft drawn in favour of Indian Science News Association.

We trust your liberal participation and patronage will help us to restore the heritage (running into 68th year) of Indian Science to new heights of glory.

Thanking you,

President : Dr. A. P. Mitra, F.R.S.
